

PFI: Song et al, Sci Rep (2022) – Inflammatory Response Gene (IRG) Signature
Genes In TCGA curated data... 5 for numerator; and 5 for denominator
Prognostic Ratio as Predictor of Outcome PFI
12 Months to 10 Years after Measurement (all LUAD)

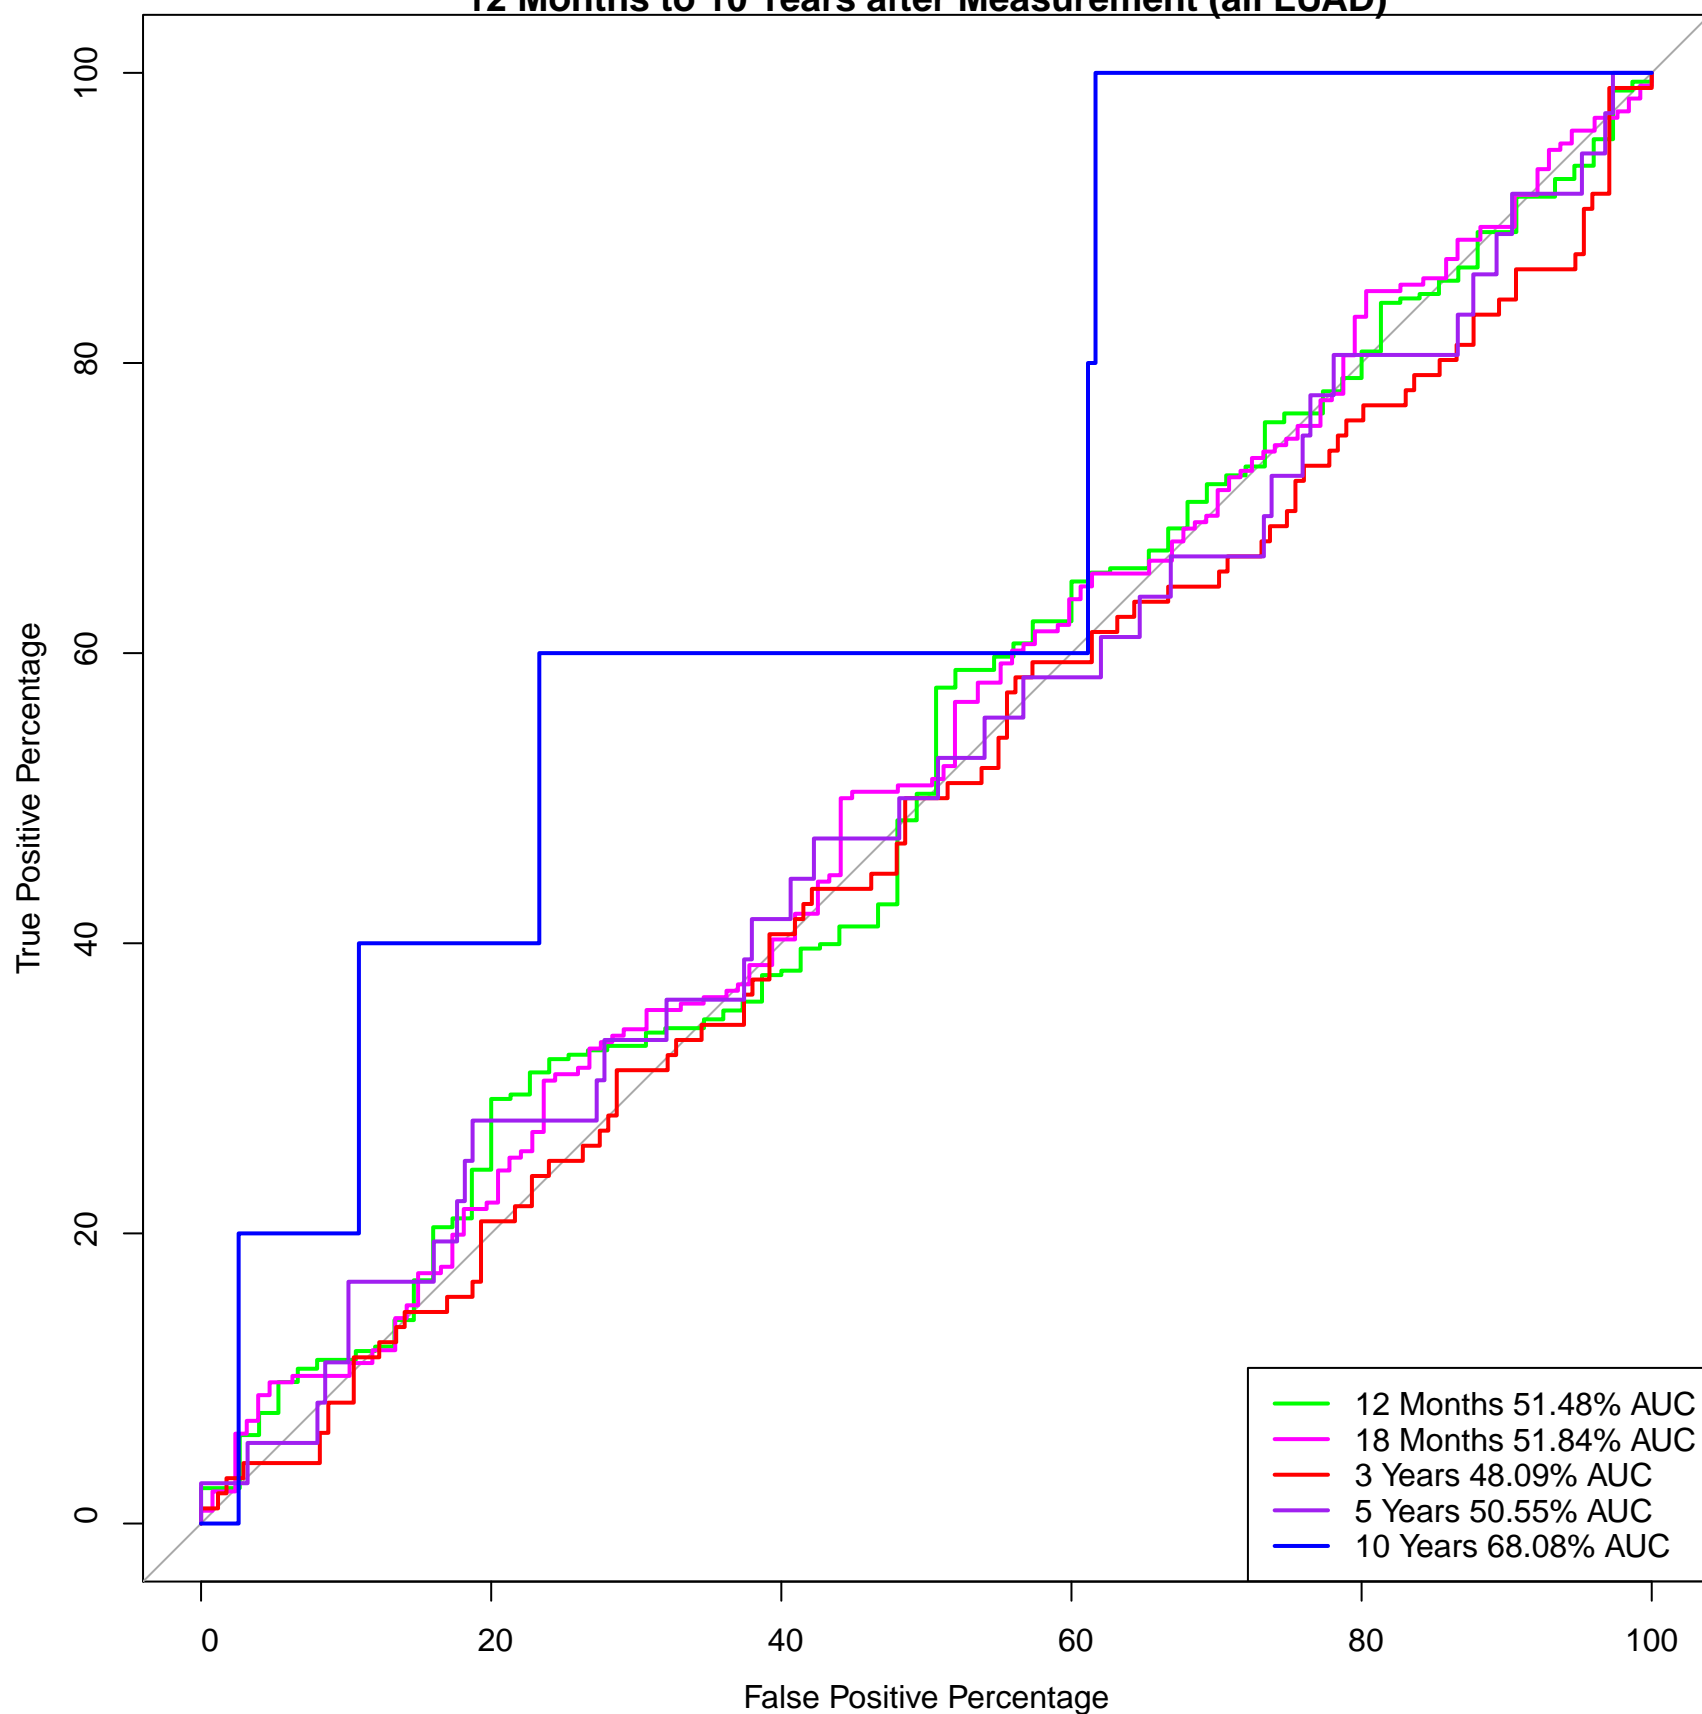

PFI: Shedden et al, Nat Med (2008) – Poor Survival 459 Gene Signature
Genes In TCGA curated data... 0 for numerator; and 459 for denominator

Prognostic Ratio as Predictor of Outcome PFI
12 Months to 10 Years after Measurement (all LUAD)

PFI: Soltis et al, Cell Rep Med (2022) – Metastasis Free Survival 155 Gene Signature
Genes In TCGA curated data... 155 for numerator; and 0 for denominator
Prognostic Ratio as Predictor of Outcome PFI
12 Months to 10 Years after Measurement (all LUAD)

PFI: This Study – ROC AUC optimization 8 Gene Signature
Genes In TCGA curated data... 4 for numerator; and 4 for denominator
Prognostic Ratio as Predictor of Outcome PFI
12 Months to 10 Years after Measurement (all LUAD)
