

OS: Song et al, Sci Rep (2022) – Inflammatory Response Gene (IRG) Signature  
Genes In TCGA curated data... 5 for numerator; and 5 for denominator  
**Prognostic Ratio as Predictor of Outcome OS**  
**12 Months to 10 Years after Measurement (all LUAD)**

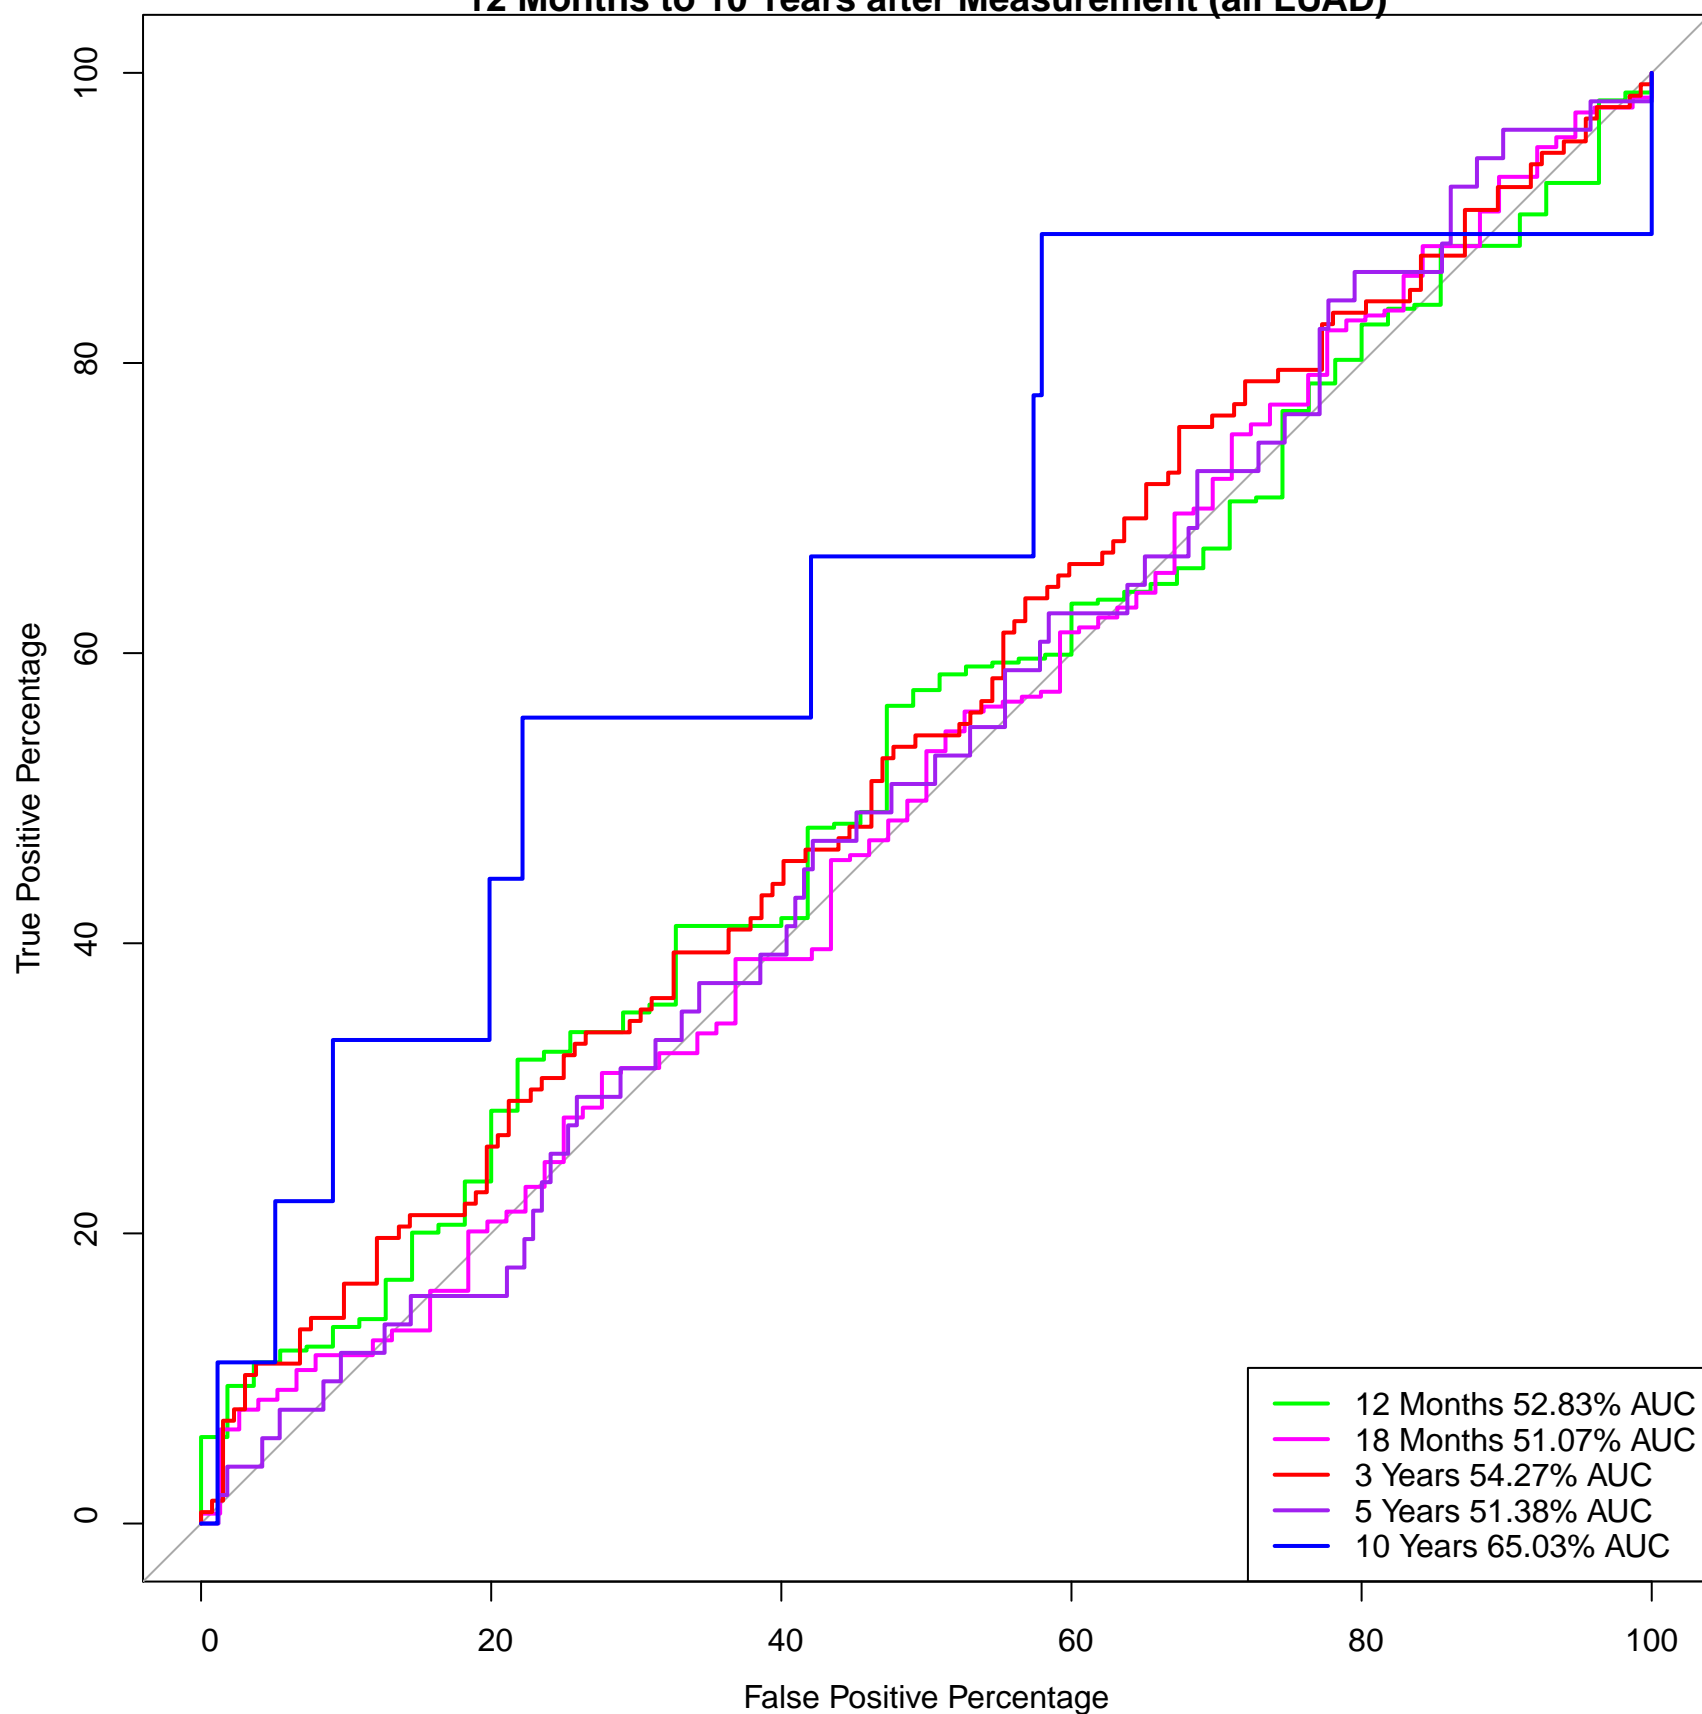

OS: Shedden et al, Nat Med (2008) – Poor Survival 459 Gene Signature  
Genes In TCGA curated data... 0 for numerator; and 459 for denominator

**Prognostic Ratio as Predictor of Outcome OS**  
**12 Months to 10 Years after Measurement (all LUAD)**

OS: Soltis et al, Cell Rep Med (2022) – Metastasis Free Survival 155 Gene Signature  
Genes In TCGA curated data... 155 for numerator; and 0 for denominator  
**Prognostic Ratio as Predictor of Outcome OS**  
**12 Months to 10 Years after Measurement (all LUAD)**

OS: This Study – ROC AUC optimization 8 Gene Signature  
Genes In TCGA curated data... 4 for numerator; and 4 for denominator  
**Prognostic Ratio as Predictor of Outcome OS**  
**12 Months to 10 Years after Measurement (all LUAD)**
